### OUTSAILED DEFIANCE. Vanitie Crossed the Finishing Line 7m.

A minute after the two crossed, virtually bow and bow, the Vanitie took the lead and scaned on nearly every leg as they reached and beat twice around a 15 1-4 mile triangle. At one time during the race the Vanitie was nearly two miles ahead, but a slight increase in the breeze late in the afternoon enabled the Defiance to regain some of the lost distance. The difference between the two at the finish was 14m. and 2s. On corrected time the Vanitie beat the Defiance 7m. 42s.

The accident to the Resolute was not serious, but the lossening of the capital on the bowsprit and the slackening chran yacht won without difficulty.

## Workmen's Compensation HOURIGAN'S SPITTER WAS TOO MUCH

State Hospital Easily Defeated the All Stars by Score of 8 to 2 -Hourigan Fanned 10 Batters-Croker Made Great Catch-Houlihan Made Record Hit-Benjamin Had No Control.

Many of the fans were disappointed at the outcome of the game Saturday at the state hospital between the State Hospital and the All Stars, as the Stars were unable to shine on account of cloudy weather. The former won by the score of \$ to 2. Benjamin was in the box for the Stars and was the cause of their downfall, giving 12 free passes and hitting two. Hourigan, pitching for the Hospital, forced the Stars to take three healthy swings with no effect, right and left, and when the nine innings were up he had 10 scalps attached to his belt. He had the ball that brought him the rep working to a perfection, the spitter.

In the pinches the Hospital played the best game they ever put up, supported the state of the state of the context it and the ball that brought him the rep working to a perfection, the spitter.

Jack Crowe had a peculiar experience, for he came to bat five times, but Benjamin, either afraid or lost control, passed the heavy hitting first baseman every time, so legally no time at bat was scored against him. The All Stars appeared without a catcher and Bill Stanley assumed that role, and he held Benjamin up all

role, and he held Benjamin up all right. He was too slow and the state right. He was too slow and the state boys took advantage of his slowness and stole bases at will. Croker made a great catch in the fourth inning of McGraw's liner over short, leaping in the air and pulling it down one hand. Houlihan proved to be the only star on the field and at bat, playing the game from the start to the finish in his usual big league manner. Benny hit the horsehide for one of the longest drives that has ever been hit on the field at the hospital, planting the ball against the building in center field for three.

Manager Hughes declares that he can beat the Hospital team in a series and is willing to prove his assertion. Next Saturday, July 4th, will be the annual field day at the state hospital, when they will have all kinds of outdoor sports, including a baseball game between the Sachems and the Hospital

little doubt of its highly professional origin. Prices of representative shares were lifted fractionally above

the previous day's closing quotations and sentiment was more cheerful, the Claffin failure no longer being regard-

short account, with that fact in mind have become increasingly wary. Apart from Washington despatches

the handing down the eastern freight rate decision, the day was devoid of suggesting further indefinite delay in

any important news pearing upon the financial situation. Actual cash loss of the clearing house banks was much

in excess of all estimates, aggregating over \$12,000,000. which is a trifle

more than the week's gold withdraw-als. It is clear, however, that the cash contraction includes some of the
